

CERTIFICATION REQUIREMENTS

I. Healing Touch for Animals® Levels 1-4 Completion

Completion of the Healing Touch for Animals® Levels 1-4 courses are required. All classes must be taken in sequence and taught by a Healing Touch for Animals® Certified Instructor.

Submission Guideline:

Include a copy of the following:

1. HTA certificates of attendance for each full course level signed by the Healing Touch for Animals® Instructor.

Replacement certificates are available at www.HealingTouchforAnimals.com.

II. Professional Resume

Applicants must submit a professional and polished resume outlining their personal and professional accomplishments. The purpose of this requirement is to provide a summary of the applicant's skills, abilities and accomplishments. It is a quick "snapshot" or "advertisement" of who you are.

Submission Guidelines:

1. One to two pages (maximum).
2. Prepared in a format consistent with professional resumes.
3. All sections listed in reverse chronological order (most current first).
4. Uncommon acronyms must be specified with name and explanation.

Resumes must include the following:

1. All current credentials.
2. Personal and/or professional accomplishments within the most recent five (5) years that have impacted your ability to work as a Healing Touch for Animals® Certified Practitioner.
3. An Objective Statement stating your intent or goal as a Healing Touch for Animals® Certified Practitioner.

Professional resumes should include, but are not limited to the following:

1. Formal and informal education and training.
2. Work experience.
3. HTA program completion history.
4. Professional recognition.
5. Licensure or certifications.
6. Professional memberships or affiliations.
7. Accomplishments or awards to include the year earned or awarded.
8. Other related interests.

CERTIFICATION REQUIREMENTS

III. Treatment Sessions

The purpose of this requirement is to demonstrate a clear understanding of the HTA techniques taught in the Healing Touch for Animals® Courses (Level 1-4).

Criterion:

1. A total of fifty (50) treatment sessions must be documented.
2. Documentation can begin at any time. For example, should you decide you want to apply for certification, you may start documenting your treatment sessions at any time after completing the Healing Touch for Animals® Level 1 Course.
3. Our Certification Review Board is looking for growth and development as you progress through the HTA program. This growth should reflect on your treatment forms.
4. Treatments must occur **after** the completion of each individual Healing Touch for Animals® course in the following manner.
 - i. Level 1 - ten (10) treatments
 - ii. Level 2 - ten (10) treatments
 - iii. Level 3 - ten (10) treatments
 - iv. Level 4 - twenty (20) treatments
5. Of the fifty (50) treatments, at least three (3) treatments must be submitted for each of the following species:
 - i. Canine
 - ii. Equine
 - iii. Feline
6. Every HTA technique, Levels 1-4, must be represented in the submitted treatments at least once.
7. Every essential oil application must be represented in the submitted treatments at least once.
8. Advanced Proficiency (AP) techniques will not be accepted.
9. Of the required fifty (50) treatment sessions:
 - a. Twenty-seven (27) treatment sessions must demonstrate HTA techniques using hands on application.
 - b. Three (3) treatment sessions must be on three (3) different animal species, other than a dog, cat or horse.
 - i. If the animal is domesticated, the treatment must be hands on.
 - ii. Distance treatment sessions are accepted only if the animal is not domesticated (an animal you cannot touch).
 - iii. Human treatments are not considered a “different species”.
 - iv. Donkey treatments are not considered a “different species” as they are equine-like.
 - c. Ten (10) distance treatment sessions must include:
 - i. Documented results.
 - ii. The caregiver’s observations during and after each treatment.
 - d. Ten (10) treatment sessions must include the following tools at least once:
 - i. The use of the Pair 5 tuning forks.
 - ii. The use of the OM tuning forks.
 - iii. The use of essential oils.
 - iv. OR a combination of all three.

CERTIFICATION REQUIREMENTS

10. No more than three (3) sessions on one (1) animal may be submitted.
11. Five (5) sessions may be on a human using only Healing Touch for Animals® techniques.
12. Of the fifty (50) total treatments, ten (10) treatment sessions may be in tandem with another HTA Practitioner. The techniques applied during the tandem treatment(s) must be at the same level as the least experienced HTA Practitioner. For example, if the tandem practitioner is a Level 1 practitioner, you may use only Level 1 techniques.

Submission Guidelines:

Treatment forms must:

1. Be submitted on official Healing Touch for Animals® treatment forms according to the Level.
2. Be legible if handwritten and/or computer generated.
3. Be numbered in the upper right-hand corner matching the Certification Treatment Checklist.
4. Be in chronological order.
5. Be as detailed as possible and clear enough that if your client moved to another state, another HTA Practitioner would understand your treatment plan and the outcome.
6. Demonstrate growth and development as your later treatment sessions must show advancement as an HTA Practitioner.
7. Demonstrate your ability to evaluate the energy system in the *Assessment Findings* section (before and after treatment sessions).
8. Clearly document your energetic perspective/intuition.
9. Clearly document your energetic understanding of how the energy is flowing throughout the body.
10. Clearly document a treatment plan derived from the *Assessment Findings* in the *Reason for Treatment* section.
11. Use descriptive words (energetic vocabulary) throughout your documentation.
12. Exhibit how the animal energetically changed from when you started and when you ended the treatment.
13. Provide evidence of technique prerequisites. (i.e.: Bridging™ must be applied before Trauma Release™).
14. Clearly document the treatment time. The treatment time does not include client in-take or post treatment communication and documentation. Treatment sessions average 45 minutes.
15. Have the client's signature or "verbal consent on file" on the Client Signature Accepting Waiver line. This requirement applies to both hands on and distance treatments.
16. Clearly document in the "Previous Conditions" or "Reason for Treatment" section if the animal has been seen and/or diagnosed by a veterinarian.
17. Clearly document that you have considered the "Follow-up treatment date" and "Discussion with Veterinarian" on the treatment form.
18. Indicate when there is no need to use a section of the treatment form with "N/A".
19. DO NOT include other modalities in conjunction with an HTA technique.

CERTIFICATION REQUIREMENTS

Treatment sessions that include the application of essential oils must indicate the following:

1. What oil(s) were applied.
2. Which application was used.
3. When they were applied.
4. Why they were applied.
5. Where they were applied.

Treatment sessions must be categorized by classification:

1. Injury
2. Acute / Chronic Illness (curable or treatable)
3. Disease (manageable)
4. Behavior
5. Competition
6. Wellness

IV. Case Study

The purpose of this requirement is to demonstrate your ability to assess the needs of a client and provide documentation of your clear understanding of how to formulate and carry through a treatment plan.

Criterion:

1. Prepare a case study on one (1) animal.
2. Use only three (3) treatment sessions with that animal.
3. The timeframe between each treatment session represented in the case study must be no more than two weeks.
4. The case study must convey a variety of HTA techniques and concepts.
5. All documentation must be conveyed using HTA techniques only.
6. The case study treatment sessions must occur after the Level 4 course.
7. Use descriptive words (energetic vocabulary) throughout your documentation.
8. Treatment sessions presented in the case study are separate from the fifty (50) Treatment Sessions requirement.

CERTIFICATION REQUIREMENTS

Submission Guidelines:

The Case Study must include the following information:

1. The reason for the treatment sessions.
2. Clearly document if the animal has been seen and/or diagnosed by a veterinarian.
3. Dates of the three (3) treatment sessions.
4. Of the three (3) treatment sessions presented within the case study, at least one (1) must be hands-on.
5. Each of the three (3) treatment sessions need to be identified separately.
6. Summarize each of the three (3) treatment sessions to include the following information:
 - a. Assessment findings (before and after treatment sessions).
 - b. A treatment plan derived from the assessment findings.
 - c. The HTA techniques and the reasons for your choices.
 - d. The results/response of the treatment sessions.
 - i. Your observations.
 - ii. The care person's observations (optional).
7. A brief summary describing what happened during the three (3) treatment sessions and how they relate to each other.
8. A conclusion and/or recommendation for further HTA treatment sessions.
9. An explanation of your HTA case study experience to include the following:
 - a. Observations and/or emotional responses about the animal.
 - b. Your appropriate respect and handling of the animal during the HTA treatment sessions, i.e., no discrimination, no judgment made, etc.
 - c. Your observation of the animals' care person and how his/her support impacts the animal.
10. The three (3) treatment forms for reference.
11. An impact statement to explain how the case study impacted you and the animal.

The Case Study must be formatted in the following manner:

1. 7-10 pages in length.
2. 12 pt. font.
3. Double-spaced.
4. 1-inch margins.

V. Experiential Narrative

The purpose of this requirement is to tell a personal story about your experience and how the treatment touched you.

Submission Guidelines:

1. Choose one (1) of the fifty (50) treatment sessions (other than your case study) and describe your experience in a heart-felt story.
2. Reference the treatment form number from the Certification Treatment Checklist.

CERTIFICATION REQUIREMENTS
