Re: Continuing Education Request – Updated to reflect hours awarded

Dear Ms. Templeton:

I write concerning a request received February 6, 2012 by the North Carolina Veterinary Medical Board for the approval of several continuing education opportunities sponsored by **Healing Touch for Animals**. The following CE courses are approved for continuing education credit:

2012: Ongoing programs – Healing Touch for Animals – Raleigh, NC
Level 1: **18 hours**
Level 2: **18 hours**
Level 3: **22 hours**
Level 4: **22 hours**

This is a blanket approval for the 2012 calendar year and may cover any programs fitting the following requirements: The attendees may receive **one hour of continuing education credit for each full hour*** of presentation relating to healing touch.

As a part of the approval, please have your sponsor/speaker or overseeing veterinarian provide proof of attendance/participation for each individual.

Should you have any further questions regarding this matter, please do not hesitate to contact the Board office.

Very truly yours,

A handwritten signature in black ink that reads "Stephanie M. Wheeler".

Stephanie M. Wheeler
Continuing Education Coordinator

*Please be advised that North Carolina does not recognize hours for exhibit hall, practice management (including financial issues, professional and administrative development, practice growth, communication, or HR issues), hospital design, breaks, and so forth.
